

# Invest in a Little "Peace-of-Mind"

**SUN  
GUARD™**

Sun Guard™ Awnings provide complete protection and feature lock-down for added security.

Metals USA™ Awnings not only add a special decorator touch to your home, they protect your valuables by blocking out damaging infrared sun rays that can cause furniture damage, carpet and drape fading.

State-of-the-art features include carefree, all aluminum construction... lockseam understructure supports, one full inch square...stainless steel fasteners...anodized extrusions, and a wide selection of colors to choose from.

All Metals USA™ Awnings are precision engineered with strict quality-control standards, as well as offering you maintenance free, comfort and protection, that looks great.
